From (Name) P. Madhava Menon Esq., M.B.E., I.C.S.,
(Designation) Director of Industries and Commerce

To The Secretary to the Government of Madras,
Development Department.

Sir,

In the course of his remarks on the annual inspection of the Navunda Fisheries school on 21st June 1942, the Deputy Inspector of Schools, Coondapur Range, stated as follows:--

> "A secondary grade teacher may be posted to the school to teach English for which there is a demand.

On reviewing this report, the District Educational Officer, South Kanara, has stated:--

> There is a demand for the post of a secondary grade teacher to teach English."

In his letter dated 4-1-1943, the Headmaster, Navunda school, states that the merchants and other educated people employed in Bombay, Mangalore and other places will be benefitted if their children get a knowledge of English and that for the uplift of the village, teaching of English is a special need. Since both the guardians of the pupils and the officers of the

Education Department are for the introduction of the teaching of English in this school, the question of employing a secondary grade teacher for the purpose deserves consideration. According to the Inspector of Fisheries, Mangalore, there is scope for raising this into a Higher Elementary school but the question is kept pending the provision of additional accommodation. If the post of the Headmaster is converted from Higher Elementary Grade to Secondary grade, it will facilitate the eventual opening of Standard VI.

2. The present strength of the school is reported to be as follows:--

Standard.	Boys.	Girls.	Total.
I.	25	15	40
II.	18	13	31
III.	14	6	20
IV.	17	6	23
V.	21	0	21
	95 +	40 =	135.

The strength of the classes in the next school year is expected to be:--

Standard.	Boys.	Girls.	Total..
I.	20	10	30
II	22	10	32
III	17	12	29
IV	14	6	20
V.	20.	4	24
	93 +	42 =	135.

3. In the circumstances, I request that the Government may be pleased to sanction the conversion of the post of Headmaster into that of a Headmaster of the Secondary grade with effect from 1-6-1943, the date on which the school reopens after the mid-summer holidays.

4. The additional expenditure involved in the proposal which amounts to about Rs.80/-in 1943-44 can be met from the provision made under Pay of Establishment under ' F Fisheries schools.'
